### For Sale Large Custom Built Home on Small Acreage in NW MO

Not often does a 3500 sq. ft. home on 7 acres hit the market. This home has it all, custom finishes from top to bottom. Built in 2014, this home has all the modern amenities you could need or want.

As you enter the front door you are greeted with a stunning vaulted ceiling in the living room. The ceiling has beautiful cedar tongue and groove ran all the way through the ceiling. Custom cabinets are featured in the kitchen along with the massive kitchen island. The kitchen and living area are open concept and perfect for

hosting any sized event! Other custom touches include the trim, engineered hard wood flooring, hand railing, large arched windows, massive walk-in shower, walk-in safe, and mantle in living area. There is a 2 car attached garage with storage above. You must see this house to appreciate the craftsmanship.

There is also a 60x30 shop with electric, concrete and a lean-to, and a small garage to park a vehicle or recreation vehicles in. This all sits on 7 acres with a breathtaking location and a pond atop the hill.
